

BetterInvesting Speaker Bureau

Every Chapter is allowed one free visit, once every three years, by a featured speaker for a Special Event such as an Annual Meeting, Investors Fair or Education Fair. I can also provide training classes for Volunteers, typically the evening before (or after) the Special Event. My travel and lodging costs will be covered by BetterInvesting headquarters up to a maximum of \$500 per visit. Any additional costs must be borne by the Chapter. The budget is limited each year; Chapter requests are filled based on the order received.

Another activity I can provide is an all day seminar consisting of five presentations of your choice—three topics in the morning and two in the afternoon. This is designed to be a money making event for your Chapter. Ironically, out of town speakers usually draw more attendees than excellent local speakers. Use this as a method to provide income to your Chapter.

I suggest you contact me to agree on a date, then fill out the Speakers Bureau Request Form—see the link below--and submit it to BetterInvesting.

The list of featured speakers includes many of the National Board of Directors (formerly Trustees), BIVAB Directors, BetterInvesting staff, along with other sought-after highly respected members of the organization. Click on the Speaker List link below. You might find someone closer or more qualified.
